

Passport On-Line With Exams

About the Course

MSP® Passport is accredited by the APM Group to support self-study distance learning for MSP® and the related Foundation and Practitioner exams. SPOCE's self-study aims to provide you with a straight forward route to becoming a fully certificated Registered Practitioner in your own time and at your own pace. SPOCE offers options for Foundation and Practitioner levels with the added option of an additional classroom-based revision day.

Content

- 12 modules with associated interactive and video presented lessons
- Notes to support each lesson and references to the MSP® Manual
- Module level exam simulation directly aligned to the MSP® Syllabus
- Online support, forums, chat and progress reports
- MSP® Foundation and Practitioner exam simulations
- Interactive exercises to consolidate the learning
- Extensive Exam Approaches module to support the "Objective Testing" Practitioner exam.

Benefits of Passport

- Provides flexibility for those wishing to study at a time, pace and place convenient to them
- A flexible choice of different self-study options, including a blended-learning package combining self-study with a classroom based revision day
- A cost-effective solution for both individuals and organisations
- People who study MSP® using MSP® Passport achieve a higher score in the Foundation exam
- MSP® Passport is achieving higher pass rates in the Practitioner exam compared to classroom training
- Browser-based software gives you the freedom to access either a CD or the internet from any location.

Exam Information

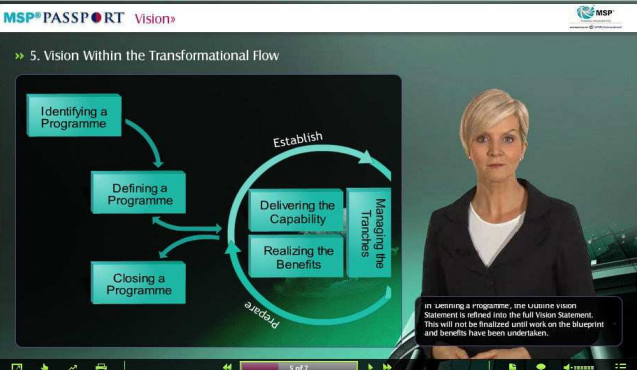

- 1 Day Passport Exams:** Foundation exam and/or Practitioner exam.
- 2 Day Passport Plus Revision with Examinations:** 1 day of revision and consolidation followed by the Foundation and Practitioner exams on Day 2.
